“Passenger transportation is not permitted on the ramp at Teterboro field, so 100 percent of our passengers walk through the FBO lobby.”

– Signature Flight Support, Teterboro, NJ
Andrew Caron, Air Concierge

“We also stock magazines on our own charter aircraft and rotate the stock as needed. We encourage transient flight crews to take magazines with them to put in the aircraft.”

– Capital City Jet Center, Columbus, OH
John Keller, Charter Manager

“The magazines are going over very well in our lobby. We have many passengers as well as crew members placing the magazines on the aircraft.”

– National Jets, Ft. Lauderdale, FL
Lisa Milos, Customer Service Manager

“Please send me more magazines; we are expecting large crowds at the end of the month for the Berkshire Hathaway shareholders meeting. We do not want to run out of inventory.”
